Brewington Management Company is a woman- and minority-owned firm providing comprehensive program and construction management services across healthcare, commercial, government, affordable housing, and industrial sectors. They guide projects through every phase - construction oversight and project closeout – ensuring they are delivered on time, within budget, and to the highest quality standards.

Services include program and Project Management, Owner Representation, Construction Management, Project Administration and Controls, Quality Assurance/Quality Control, Cost Management, Permit Expediting and Management, Due Diligence and Feasibility Studies, and Planning and Scheduling. BMC solves the challenges of construction management by coordinating closely with government agencies, utility companies, and other stakeholders, while maintaining meticulous attention to detail. Guided by the core values of Honesty, Integrity, Commitment, Excellence, and Family, Brewington Management leverages its expertise and collaborative approach to deliver successful projects that exceed expectations.

Danielle Gittens is the Founder and Owner of Brewington Management Company, a Program and Construction Management firm in Upper Marlboro, MD. With over 25 years of experience, she specializes in Healthcare, Commercial, Government, Affordable Housing, and Industrial Construction projects. A UMD graduate in Civil Engineering – Construction Management, Danielle is a licensed professional and a Certified Construction Manager.

Danielle’s leadership has earned her many accolades, including a Certificate of Recognition from Prince George’s County Public Schools Board of Education and a Proclamation from Prince George’s County Council. In 2024, Brewington Management Company was recognized as a Top 100 MBE by the Capital Region Minority Supplier Development Council and received a Certificate of Recognition from Prince George’s County Economic Development Corporation.
