

Compliance Construction & Remediation, Inc.

Certifications: MBE

www.ccrhubzone.com

Compliance Construction & Remediation, Inc. (CCR) is a certified minority-owned environmental remediation contractor serving the DMV region. They specialize in asbestos abatement, employing rigorous protocols to mitigate exposure risks. CCR ensures thorough removal and disposal of asbestos containing materials, adhering to strict safety guidelines. Their team has over 30 years of combined experience delivering safe, compliant, and efficient projects for schools, government facilities, commercial and residential properties, and multi-family housing.

James Tariq Lang, President of CCR, epitomizes a visionary leader dedicated to leveraging his expertise for the betterment of communities. Founding CCR in 2017, James infused the company's ethos with a relentless pursuit of environmental safety and sustainable practices. Under his guidance, the company has become a trusted pillar in the industry, recognized for its unwavering commitment to excellence and adherence to stringent regulator standards.
